

Mrs. Boyer's First Grade Newsletter

October 28, 2016

Upcoming Events

Monday, October 31st: Halloween- Fun Fair and Party (Please remember no candy is allowed, send in your child's costume so they may change after lunch and no weapons or makeup allowed.)

Tuesday, November 1st: All Saints Mass

- Please have your child's uniform under their Saint costume.
- Students should come dressed in their Saint costume and if possible arrive at school no later than 8:40.
- There will be an opportunity for pictures following Mass. Please do not walk your child into the classroom as we will be strict on time.

Next Week's Word Wall Words

much many by came

What We Are Learning

Reading: The students discussed putting facts into their own words during a retell. We also practiced using context clues to define unknown words.

Language Arts: Students were tested on their noun knowledge and also brainstormed nouns for every letter of the alphabet. We will begin verbs next week.

Math: We continue our study of subtraction. The students learned about fact families and how addition and subtraction facts are related. Next week students will review subtraction and take a test on the unit.

Science: We continued our study of pumpkins. Students described a pumpkin using their senses and explored the inside of the pumpkin during a lab.

Religion- We continue our discussion about Saints. Students learned about Saint Cecilia and shared their Saint papers.

Notes

Due to our busy and short week, we will not have a WTW sort next week. Students will complete Simple Solutions and have a quiz on Thursday. There will also be a math test on subtraction next Thursday- the review will be sent home for homework on Tuesday.

Have a great weekend!
