What We Are Learning

Reading: Students reviewed various reading skills while reading just right books.

Language Arts: Students continued to work on verbs. As a craftivity, students created stories about Pete the Cat and his school shoes. Students highlighted the verbs used and created their own Pete.

Math: We began our study of addition strategies to 20. Students also began a center work cycle that focuses on individual needs and challenges each student at their own level.

Social Studies: We discussed Veteran's Day in honor of tomorrow's holiday. Students recognize who veterans are and what they have done to help our country. Students also wrote letters to Veterans thanking them for their service.

Religion– Students discussed the Liturgical Calendar.

Notes

I look forward to seeing all of you at conferences!!!

Have a great weekend!
