## What We Are Learning

**Reading:** Students continue to identify themselves as readers by discussing our unique reading styles and choices.

**Language Arts:** This week we continued our unit on sentence writing. Students recognize that every sentence has a capital letter, naming part, action part and punctuation mark.

**Math:** We continue to work with addition number sentences. Students used addition number sentences to answer story problems.

**Science:** We discussed the seasons of the apple tree. A wonderful project displaying the students learning is hanging in our classroom.

**Religion-** We identified what it means to care for God's creation as well as our favorite part of Mass.

## Notes

Thank you to all of our guests for Grandparent/ Special Friend's Mass! It was wonderful!

Sunday is September 11<sup>th</sup>. Now known as Patriot Day, we acknowledge the strong emotions and seriousness of 9-11 that still lives in our hearts. With respect to the young age of the students, we did not and will not be discussing 9-11 within the First Grade classrooms. However many of our classmates have siblings or may hear about it over the weekend. Please consider discussing it as a family in any way you feel appropriate. Have a wonderful weekend!
