## Upcoming Events

Thursday, September 22<sup>nd</sup>: Apple Orchard Trip

- If you would like to join us, you are welcome to meet us at the Orchard. Please dress your child in his/her uniform and to pack a brown bag lunch. Remember to write your child's name on the bag.

Monday, September 26<sup>th</sup>: Spiritwear

Friday, September 30<sup>th</sup>: No School  
- SIP Day

## What We Are Learning

Reading: We began studying elements of a Fiction story.

Language Arts: This week we continued our unit on sentence writing. Students recognize questioning sentences and know that they begin with a capital letter and end with a question mark.

Math: We are wrapping up our unit on addition. We are planning on a test later next week. A review will go home to study next week as well.

Science: We continue apple exploration by discussing the parts of an apple.

Religion- Students recognize God the Father. We continue to explore the many ways God cares for us.

## Notes

Next week in WTW: The sort your child will be doing will look a little different. After seeing how many moving parts were involved in the updated WTW, it was important to me to simplify the process as well make sure they are getting a balance between spelling and word patterns. Therefore, the sort that will be in the yellow envelope will NOT need to be returned. Students will all be studying developmentally appropriate words that must be spelled correctly on Friday's quiz. In addition to those words, students will be given 5 words not in their sort. These words will need to be sorted properly and they will need to have the pattern written correctly.

Thank you for your continued patience and support!
