What We Are Learning

Reading: We continue to focus on story elements. Students made a diagram of story elements for Fancy Nancy: Apples Galore!

Language Arts: This week we worked our way through the writing process. The students also took a test on sentence structure. Next week we will begin nouns.

Math: Students took a test on basic addition. We also discussed comparing numbers using greater than, less than and equal to symbols.

Science: We discussed Johnny Appleseed. We also began our study of trees and leaves.

Religion– Students recognize that God gave us the Holy Spirit as a guide. We also discussed the Holy Trinity.

Notes

Please encourage your child to work at home on writing complete sentences. Common mistakes such as capital letters and proper end marks will continue to be emphasized in the classroom.

We also discussed the upcoming election, the candidates, and Monday's debate. The students learned about the voting process through Scholastic News. We are very excited to have a classroom election on Election Day! Have a wonderful, long weekend!
