What We Are Learning

Reading: We have been reading traditional tales and comparing the various versions of stories such as The Three Little Pigs and The Three Little Dasses.

Writing: We began our study of Narrative writing. The students focused on small moments and details.

Math: Students continue to work on place value by working with hundreds.

Science: Students identified the 3 phases of matter: solid, liquid and gas. They also applied this to a snowman as whole, melted, and then as water vapor.

Religion- Students recognize that their Guardian Angel is always by their side.

Notes

Hope to see you on Sunday at Family Mass (11:30) and Open House right after!

Also, don't forget to check out the Book Fair in the Library!

Have a fantastic weekend!
