## What We Are Learning

**Reading:** Students recognize that good readers ask questions about what they are reading. They also made connections between two books by the same author.

**Writing:** We continue our study of Narrative writing. The students practiced writing about a small moment using details.

**Math:** Students continue their study of double digit addition. Next week we will begin double digit subtraction.

**Social Studies:** This week we focused on Presidents, specifically George Washington and Abe Lincoln.

**Religion-** Students took a deeper look at baptism and communion. They recognize the importance of these sacraments as a member of the Catholic Church.

## Notes

A very special thank you to all of you for helping fund the purchase of our classroom rug squares! The students can't wait to use them! Thank you to our room parents for the fun party and organizing the gift!

Don't forget to place your magazine orders and return the envelopes on February 24<sup>th</sup>.

Have a wonderful, long weekend!
