What We Are Learning

Reading: Students identified traits and text features of nonfiction books.

Writing: We continue the writing process as we finish our final drafts.

Math: Students began our study of measurement using nonstandard units.

Science: Students discussed clouds, the Water Cycle and weather.

Religion- Students completed the journey through the Stations of the Cross. Remember to attend Mass on Sunday for Palm Sunday.

Notes

Summer is just around the corner! Don't miss your chance to sign up for Reading in the Summ-ART, a summer reading/art program offered right here at St. James School. Be sure to reserve your child's spot before the class fills up. Please contact me with any questions at aboyer@stjameschoolah.org.

I also plan to offer tutoring this summer. Please let me know if you are interested or pass along my information to anyone that may be in need of a tutor!
