What We Are Learning

Reading: Students used a Venn Diagram to compare and contrast information in nonfiction books and themselves to a friend.

Writing: We continue the writing process as we finish our final drafts.

Math: Students used a ruler to explore standard measurement.

Science: Students discussed extreme weather and ways to stay safe during floods, tornadoes, thunderstorms and blizzards.

Religion- Students discussed Holy Week and the significance of the days. We also read and discussed The Easter Story.

Notes

Summer is just around the corner! Don't miss your chance to sign up for Reading in the Summ-ART, a summer reading/art program offered right here at St. James School. Be sure to reserve your child's spot before the class fills up. Please contact me with any questions at aboyer@stjameschoolah.org.

I also plan to offer tutoring this summer. Please let me know if you are interested or pass along my information to anyone that may be in need of a tutor!
