What We Are Learning

Reading: Students used a Venn Diagram to compare characters as well as books.

Writing: We continue the writing process as we finish our final drafts. Students also recorded a summary using the Chatterpix app.

Math: Students began measuring time to the hour and half hour.

Social Studies/Science: Students discussed Earth for both Earth Day as well as recognizing their place on Earth. We will continue with our study of us on the map as well as landforms next week.

Religion- Students celebrated the rising of Christ. We also discussed how our families are rooted in God.

Notes

Summer is just around the corner! Don't miss your chance to sign up for Reading in the Summ-ART, a summer reading/art program offered right here at St. James School. Be sure to reserve your child's spot before the class fills up. Please contact me with any questions at aboyer@stjameschoolah.org.

I also plan to offer tutoring this summer. Please let me know if you are interested or pass along my information to anyone that may be in need of a tutor!
