## What We Are Learning

Reading: Students were text feature hunters searching for captions, labels, photos and headings.

Writing: We began our study of opinion writing. OREO stands for opinion, reason, extra reasons, and opinion restated.

Math: Students finished measurement of length, time and calendar. Next week we will begin our study of shapes.

Social Studies/Science: Students discussed cardinal directions and continued with map skills. We also discussed landforms. Next week we will begin our study of plants.

Religion- Students identified God's commandments and interpreted them in First Grade friendly ways. These were shared on Seesaw and are hanging in the hall!

## Notes

Summer is just around the corner! Don't miss your chance to sign up for Reading in the Summ-ART, a summer reading/art program offered right here at St. James School. Be sure to reserve your child's spot. Please contact me with any questions at [aboyer@stjameschoolah.org](mailto:aboyer@stjameschoolah.org).

Have a wonderful weekend!
