Memorial Day Weekend

What We Are Learning

Reading: Students finished our study of Nonfiction with asking questions. We reviewed question words and discussed the importance of asking questions.

Writing: We continued our study of opinion writing.

Math: Students discussed the attributes of two dimensional shapes.

Science: Students began our study of plants. We identified the parts of a flower and study the role of the stem.

Religion- Students discussed Mary and the Rosary. We will be discussing the mysteries of the Rosary next week.

Notes

Thank you to everyone for making Teacher Appreciation Week so special! I am very grateful to work with such wonderful students and their families.

Have a fantastic weekend!
